ASSOCIATION: Or. Principles of a True Organization of Society

nation. 41 Broadway, on This Evening at 8 o'clock.— Information as to the progress of the doctrine in Europe will be given, and a description of the celebration of the Anniversary of the birth-day of FOURIER, in Paris, with

scenes of Social Harmony, of which our cold, icy scription of such a concert of Hearts and Intelli-

Religion in Association. The Doctrine of Christ is Social as well as Religious in its principles. The Christian World thinks-with a few exceptions-that He came only Social government upon this Earth, and He laid Justice, upon which human Societies should be World at a time when Carnage, Devastation and Slavery under the most hideous forms were unicereal, and which unfortunately still exist to a amentable extent. He came when Hatred, Inustice and Discord were rife among Men, and the nost appalling Tyranny and Inequality oppressed | Gorhan Arnot, and Rev. E. N. Kers. Nations. He came, and He denounced the Social from their Destiny; that they were moving enward have considered any Introductory or explanatory follow, and the moral Laws and Principles by which they should be governed. He declared Life of Hamilton by his son, J. C.; but we think that Mankind were a family of brothers, - children of one Race and one God,-(which is the true source and legitimate sanction of Social Equality here below ;) He proclaimed Peace on Earth and Good Will to all Men, and declared Love, Union and Harmony to be the principles by which the Universal Family of Man should be governed. He pointed out these us the foundation upon which human Societies should be based in order to secure the temporal Salvation of Mankind,-that is, their Social Elevation and Happiness,-which temporal Salvation is the first and preliminary step to be taken to secure them collectively their Salvation

> What we have now to do is to realize Christ's Dectrine practically upon the Earth. See how much time has been lost during the last eighteen centuries in controversies and Theological riddles. realized. Society is full of Poverty and Ignorance, which lead to vice, crime and discord without end: the paths of Men are strewed with temptations. putfalls and deceptive circumstances, which drag them down into rain and perdition.

We must change this practical falseness; we must give Men Abundance and Knowledge; we posed of Orthodox Congregational Clergymen, must take temptations and pitfalls out of their who meet annually for public religious exercises paths; we must establish a true Social Order and for other purposes connected with ministerial which will direct them rightly in their earthly labor. The Annual Sermon was preached yestercareer, as our false Societies now allure or force | day in the new Church in Winter-street, by the

The World, after having spent so many centuries n discussing Doctrinal points, must now, we repeat, endeavor to carry out practically the printent forward to the anxious seats. ciples of Christ, and realize them in Society. It must add acts to faith: it contents itself too exclusively with an adoration of the spiritual per- the Berry-street (Dr. Chansing's) Church. from the old Massachusetts Anti-Slavery Society not be secured without a more conciliatory co 10 persons present at the business meeting been less than the receipts by \$45. The Societ is in debt more than \$5,000, to meet which it ha would sustain itself the coming year, and

The speakers were Rev. ELON GALUSHA Rochester, N. Y., WILLIAM GOODELL, of Wh er. No historical fact was more clearly settled than that they had established a Constitution, and GEORGE ALLES expressed his deep regret that such sentiments had been uttered, and declared that he feit bound to rebuke his friend for bringing before the meeting a question foreign to its objects. A colored man from Ruleigh, N. C., who had bought himself, his mother, wife and children, at an expense of \$3,500, gave an interesting account of the circumstances under which he obtained his freedom. He spoke with gratitude of the kindness he had received from the Governor not sufficient to save him from a coat of tar and since, after his family.

THE NEW-ENGLAND ANTI-SLAVERY CONTEX-Tion, made up of that class of the Abolitionists who allow women to participate in their proceedings, and who are generally opposed to the formation of a political party, held two sessions yesterance was large, and the discussions quite spirited. One woman acted as Secretary with two men, and other women were placed on Committees. Many able speakers were present. The subject which occupied the most time was, the relations of Slavery to the Church and Ministry. These bodies were censured in very severe terms as the principal supporters of Slavery. A resolution was offered by Mr. Gaunison, expressing gratification that the H.m. T. F. Manshall had become a tec-Dr. Nichots of Portland in the chair. The Report was read by the Rev. Mr. Butons, the Secretain also a tentotaler as it respects slavery. This led Men must now proceed to reform our false Sotietics, and organize a true Social Order in their
idace, based upon the principles of Justice, Love
and Good Will, which Christ preached. "Let us
